Swachh Bharat Abhiyan Activity

Venue: College Campus Bapusaheb Thite College of Nursing and Nearby Areas

Our college organized a cleanliness drive under the initiative of the Swachh Bharat Abhiyan.

Aim: The activity aimed to promote cleanliness, hygiene, and awareness about maintaining a clean environment among students and the local community.

The program started in the morning with the gathering of students, teachers, and volunteers in the college campus. The faculty members explained the importance of cleanliness and the objectives of the Swachh Bharat mission. Students actively participated in the campaign with great enthusiasm.

During the activity, students cleaned the college campus, surrounding roads, and public areas.

They collected plastic waste, paper, and other garbage and disposed of it properly. Some students also created awareness among the public about keeping the environment clean and reducing plastic usage.

The volunteers carried placards and slogans promoting cleanliness and environmental responsibility. The activity helped students understand the importance of public hygiene and encouraged them to adopt good habits in their daily lives.
