PORTFOLIO

World Tuberculosis Day Programme

Date: 24th March 2026

Organized by: Bapusaheb Thite College Of Nursing, Shirur, Pune.

1. Introduction

World Tuberculosis Day is observed every year on 24th March to raise awareness about Tuberculosis (TB) and its prevention, diagnosis, and treatment. This day commemorates the discovery of the Mycobacterium tuberculosis bacterium by Dr. Robert Koch in 1882.

Tuberculosis remains one of the major public health problems worldwide. Awareness programs, educational activities, and community participation are essential to eliminate TB. To promote awareness and encourage student participation, the college has planned various activities such as Guest Lecture, Quiz Competition, Skit, and Slogan Competition.

2. Theme of World Tuberculosis Day 2026

Theme: "Yes! We Can End TB – Led by countries, powered by people."

3. Objectives

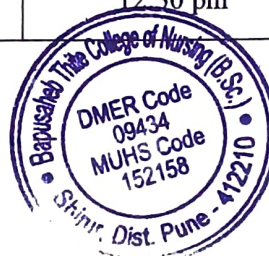

1. To create awareness about Tuberculosis prevention and control.
2. To enhance knowledge regarding signs, symptoms, and treatment of TB.
3. To encourage student participation in health awareness activities.
4. To promote community education through skit and slogans.
5. To develop communication and leadership skills among nursing students.

4. Activities Planned

1. Guest Lecture
2. Quiz Competition
3. Skit at Rural Hospital
4. Slogan Competition

5. Programme Schedule

Sr No	Activity	Date	Time	Venue
1	Announcement of Slogan Competition	10 March 2026	-	Online/Notice
2	Last Date for Slogan Submission	23 March 2026	Before 4:00 pm	College
3	Guest Lecture on Tuberculosis	23 March 2026	11:00 am – 12:30 pm	Seminar Hall
4	Quiz Competition (Rounds & Evaluation) on World Tuberculosis Day	28 March 2026	10:00 am	Seminar Hall
5	TB Awareness Skit	28 March 2026	12:30 pm	Rural Hospital (RH)

SHRI CHHATRAPATI SAMBHAJI SHIKSHAN SANSTHA'S

(Approved by; Maharashtra Govt., Affiliated to MUHS, Nashik and MSBNPE, Mumbai)

6. Guest Lecture

Topic: Tuberculosis – Prevention, Diagnosis and Management

Date: 24th March 2026

Time: 11:00 am – 12:30 pm

Venue: Rural Hospital, Shirur.

- **Target Audience:**

- Nursing Students
- Faculty Members

- **Objectives of Guest Lecture**

1. To provide updated knowledge about TB.
2. To explain national TB control programs.
3. To highlight the role of nurses in TB prevention.

7. Quiz Competition

Date: 30 March 2026

Time: 10:00 am

Venue: Seminar Hall

- **Quiz Rounds**

1. **Round 1 – MCQ Round**

Multiple choice questions on TB.

2. **Round 2 – Rapid Fire Round**

Participants answer quickly within a limited time.

3. **Round 3 –**

Identification of images related to TB (X-ray, instruments, symptoms).

4. **Round 4 – True or False Round**

5. **Final Round – Buzzer Round**

- **Quiz Evaluation Criteria**

Criteria	Marks
Correct Answer	10 Marks
Rapid Fire Correct Answer	5 Marks
Buzzer Round	10 Marks
Wrong Answer	-5 Marks

Decision of judges will be final and binding.

8. Awareness Skit

Date: 28 March 2026

Venue: Rural Hospital (RH)

SHRI CHHATRAPATI SAMBHAJI SHIKSHAN SANSTHA'S

BAPUSAHEB THITE COLLEGE OF NURSING

Shirur (Ghodnadi) Dist. Pune - 412210

(Approved by; Maharashtra Govt., Affiliated to MUHS, Nashik and MSBNPE, Mumbai)

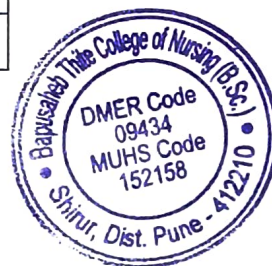

- **Purpose**
 - To spread awareness about TB symptoms, treatment, and prevention in the community.
- **Skit Themes**
 - Early detection of TB
 - Importance of completing TB treatment
 - TB stigma and myths
 - TB prevention
- **Rules**
 1. Maximum 5–8 participants per group.
 2. Duration should be 15-20 minutes.
 3. Message should be clear and educational.
 4. Use of simple language for community understanding.

9. Slogan Competition

- **Categories**
 1. High School Students
 2. Junior College Students
 3. Nursing College Students
- **Last Date for Submission:** 23rd March 2026
- **Rules and Regulations for Slogan Competition**
 1. The competition is open to High School students, Junior College students, and Nursing College students.
 2. Each participant can submit only one slogan.
 3. The slogan must be original and related to Tuberculosis awareness, prevention, or treatment.
 4. The slogan should be written in English, Hindi, or Marathi.
 5. The slogan should be short and meaningful (maximum 15–20 words).
 6. Copied slogans from the internet or other sources will be disqualified.
 7. Participants should write their name, class, institution name, and contact details on the submission sheet.
 8. The slogan must be written neatly on an A4 sheet or submitted through the provided form.
 9. The decision of the judging panel will be final.
 10. Prizes will be awarded for 1st, 2nd, and 3rd place.

✚ Judging Criteria for Slogan Competition

Criteria	Marks
Creativity	10

TB DAY REP

WORLD TUBERCULOSIS DAY REPORT

Date: 24th March 2026

Organized by: Bapusaheb Thite College of Nursing, Shirur, Pune.

Medical Surgical Department.

Introduction

World Tuberculosis Day was observed on **24th March 2026** at Bapusaheb Thite College of Nursing, Shirur, Pune, to raise awareness regarding Tuberculosis (TB), its prevention, diagnosis, and treatment. The day marks the discovery of *Mycobacterium tuberculosis* by Dr. Robert Koch. The programme was conducted under the theme:

"Yes! We Can End TB – Led by Countries, Powered by People."

Various academic and community-based activities such as **Awareness Rally, Guest Lecture, Skit Performance, Quiz Competition, and Slogan Competition** were organized to enhance knowledge and awareness among students and the community.

Collaboration

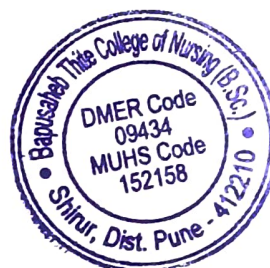

The programme was successfully conducted in collaboration with:
DOTS Centre, Shirur Gramin Rugnalaya and Public Health Department

World Tuberculosis Day Awareness Rally and Skit Programme

On the occasion of World Tuberculosis Day (24th March 2026), an awareness rally and street play (skit) were organized to educate the community about Tuberculosis. The programme started at 9:00 am with assembly and preparation at the college premises. Students and faculty actively participated in the rally.

➤ Rally Route:

- College Premises
- RH Hospital, Shirur
- Shirur Bus Stand
- Indira Chowk

SHRI CHHATRAPATI SAMBHAJI SHIKSHAN SANSTHA'S

BAPUSAHEB THITE COLLEGE OF NURSING

Shirur (Ghodnadi) Dist. Pune - 412210

(Approved by; Maharashtra Govt., Affiliated to MUHS, Nashik and MSBNPE, Mumbai)

- DOTS Centre Lecture Hall

Students carried banners and placards displaying important TB awareness messages such as:

- *"End TB, Save Lives"*
- *"Don't Ignore Cough – Check for TB"*
- *"Complete TB Treatment for a Healthy Life"*

The rally helped in spreading awareness among the general public regarding early detection and prevention of TB.

Outcome:

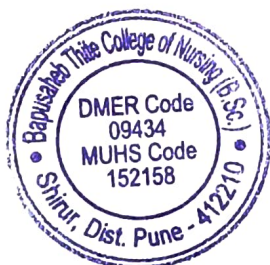

The awareness rally conducted on the occasion of World Tuberculosis Day was effective in disseminating important information about Tuberculosis among the general public. It helped in increasing awareness regarding early signs and symptoms, modes of transmission, and the importance of timely diagnosis and complete treatment.

The rally encouraged community members to seek medical advice in case of persistent symptoms such as cough and fever. It also contributed to reducing myths and stigma associated with TB.

Active participation of students enhanced their communication skills, confidence, and sense of social responsibility. Overall, the rally played a significant role in promoting health awareness and supporting the goal of achieving a TB-free society.

Conclusion:

The awareness rally conducted on the occasion of World Tuberculosis Day was highly successful in spreading important messages about TB prevention and control among the general public. Active participation of students and faculty, along with effective use of placards and slogans, helped in creating awareness regarding early detection and treatment of TB. The rally strengthened community engagement and contributed towards promoting a TB-free society.

SKIT (STREET PLAY)

A Nukkad Natak (street play) was performed by students at:

- RH Hospital
- Indira Chowk

➤ Key Messages Delivered Through Skit:

- Early symptoms and warning signs of TB
- Importance of timely diagnosis
- Need to complete full course of treatment
- Dispelling myths and stigma associated with TB
- Preventive measures and hygiene practices

The skit attracted a large audience and effectively communicated the message in a simple and understandable manner.

➤ Outcome:

The rally and skit created significant awareness among the community and encouraged people to seek early diagnosis and treatment.

➤ Conclusion:

The skit performed by the students served as an effective medium for communicating key messages about Tuberculosis in a simple and engaging manner. It successfully highlighted symptoms, prevention, treatment adherence, and the need to eliminate stigma associated with TB. The performance attracted public attention and enhanced understanding among the community, making it a powerful tool for health education.
